Open 40 stores in H2 for $22M in new revenue

We are under-stored versus competitors, with a proven format and a site pipeline. Payback is 14 months.

Prepared for the Board

THE PROPOSAL AT A GLANCE

40 stores · $8M capex · 14-month payback

40
New stores
H2 2026

$8.0M
Capex
across 3 regions

$22.0M
Year-1 revenue
incremental

14 mo
Payback
base case

Estimates: commercial planning, August 2026

WHY NOW

Three reasons to move this half

Under-stored

The market is growing and we trail competitors on store density in every target region.

Proven format

The current store format is already profitable; this is replication, not a new bet.

Sites ready

A vetted pipeline of sites lets us open on schedule in the second half.

Source: market share study; real-estate pipeline

Regional plan

REGION	NEW STORES	CAPEX	YR-1 REVENUE
North	16	3.2	8.8
Central	10	2.0	5.6
South	14	2.8	7.6
Total	**40**	**8.0**	**22.0**

Unit: $M

THE ASK

> **Approve $8M of capex to open 40 stores in H2 2026.** Decision needed by end of August to hit H2 openings.
